

The career consulting orientation session will take place (by telephone/Skype) with one of our TIAS Career Consultants. In this extensive session (free of charge) you will discuss your ideas, needs and expectations regarding your career path.

For example:

- I want to make a career switch to a new industry
- I would like to know more about a specific industry/working area/position but I don't know where to start
- I know what I want, but my CV needs a make-over
- It has been 10 years ago since my latest job interview. I am hesitant about my interview skills
- My LinkedIn profile is not up to date and I don't know how I can use LinkedIn for my job search/networking opportunities

After your needs and expectations are clear and you decide to continue the career consulting, the next career consulting session(s) can be scheduled. For more information and costs, please click [here](#)

Send a message to alumni@tias.edu and Alumni Relations will bring you in contact with one of our Career Consultants.
